Marvelous **CONCERT HALL**

A photograph of the South Coast Plaza building, a large, modern structure with a light-colored, textured facade. The building is partially obscured by several tall palm trees in the foreground. A large, dark, rectangular sign with white text and horizontal lines is mounted on the upper right portion of the building. The sign reads "SOUTH COAST PLAZA". The sky is clear and blue. In the foreground, there are landscaped areas with palm trees, smaller plants, and a set of stairs leading to an entrance on the right side of the building.
