GARAGE

PRIME BURGERS CRAFT BEER

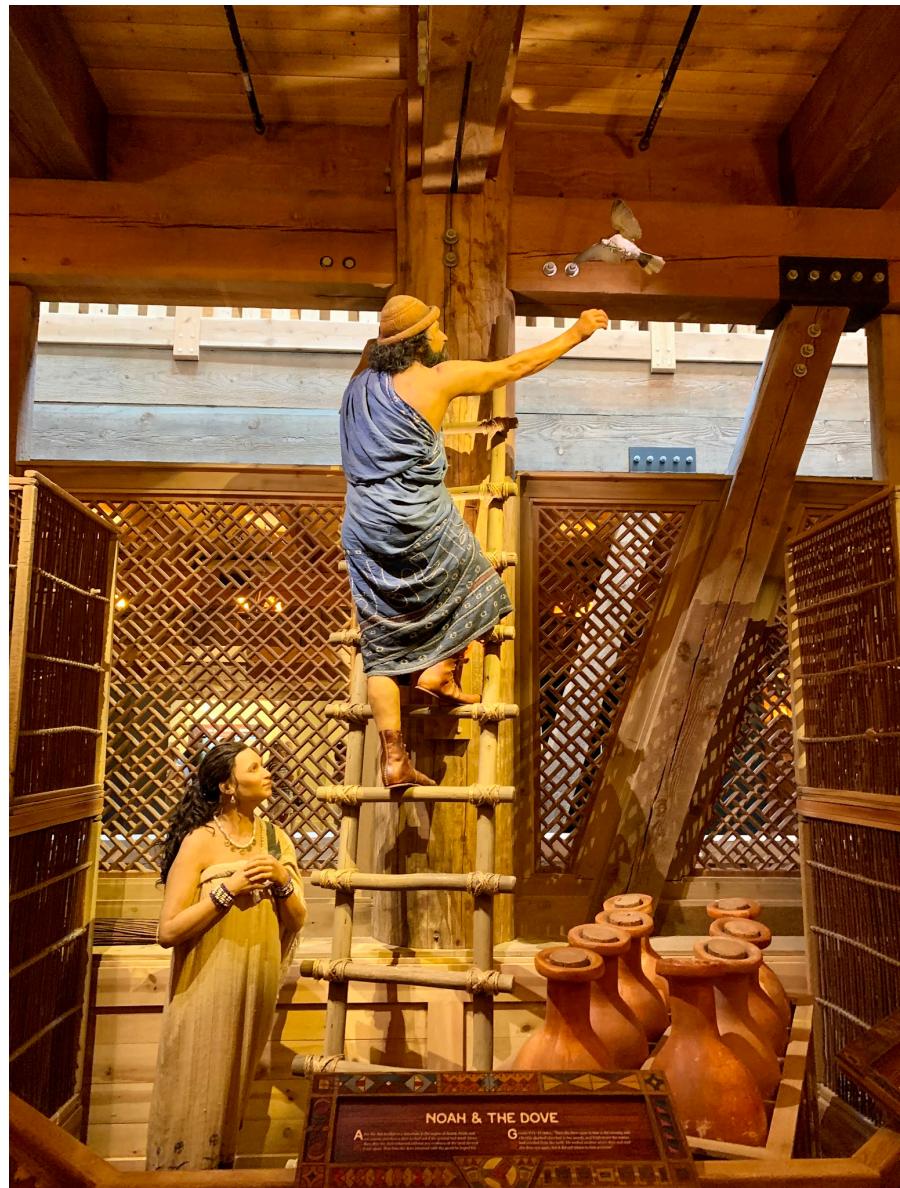

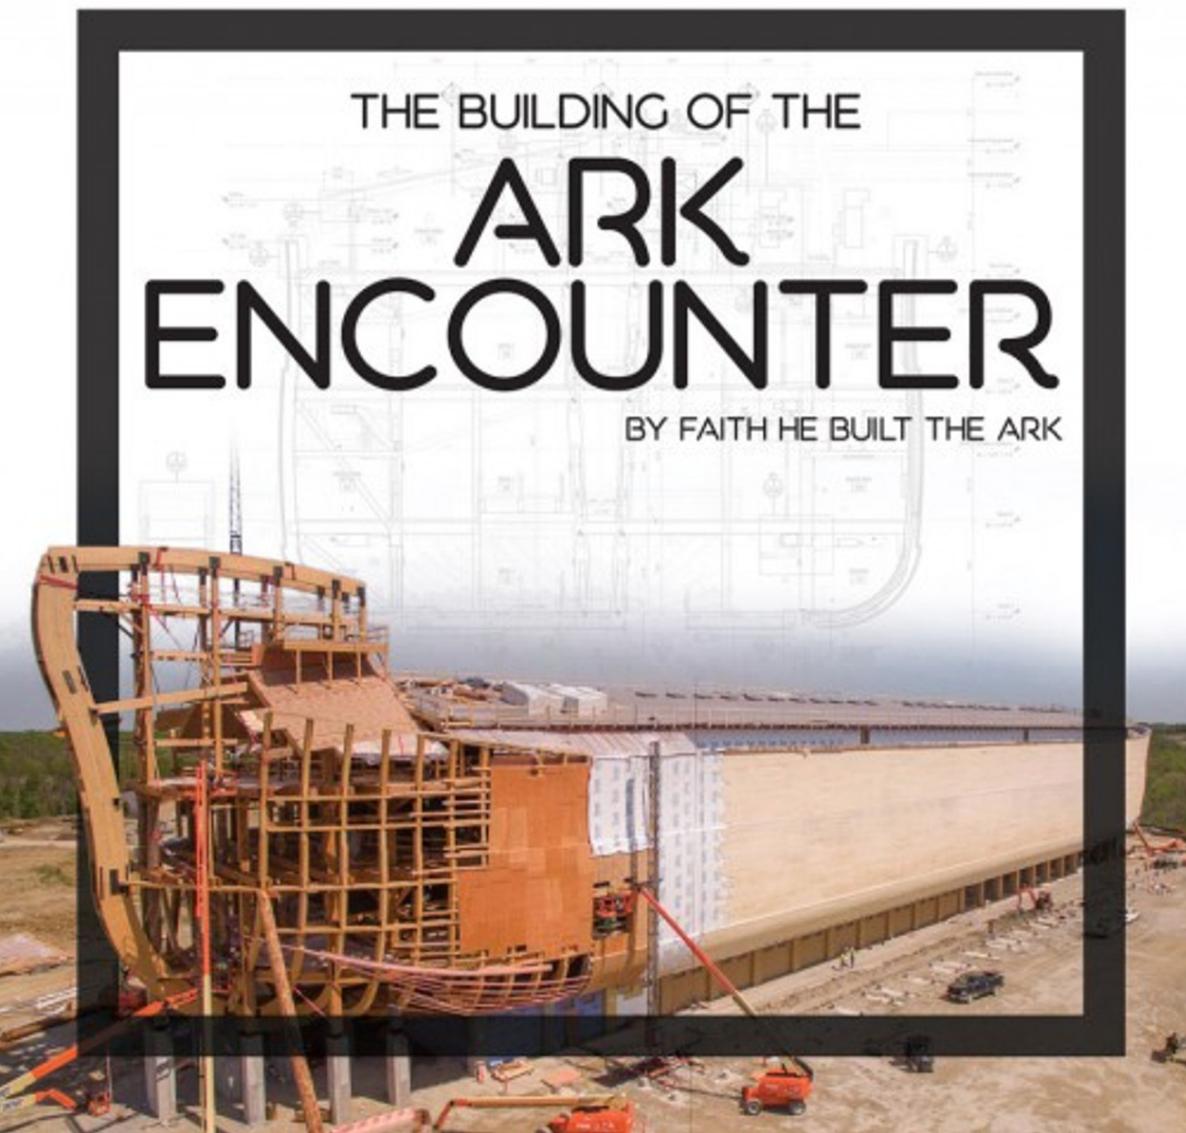

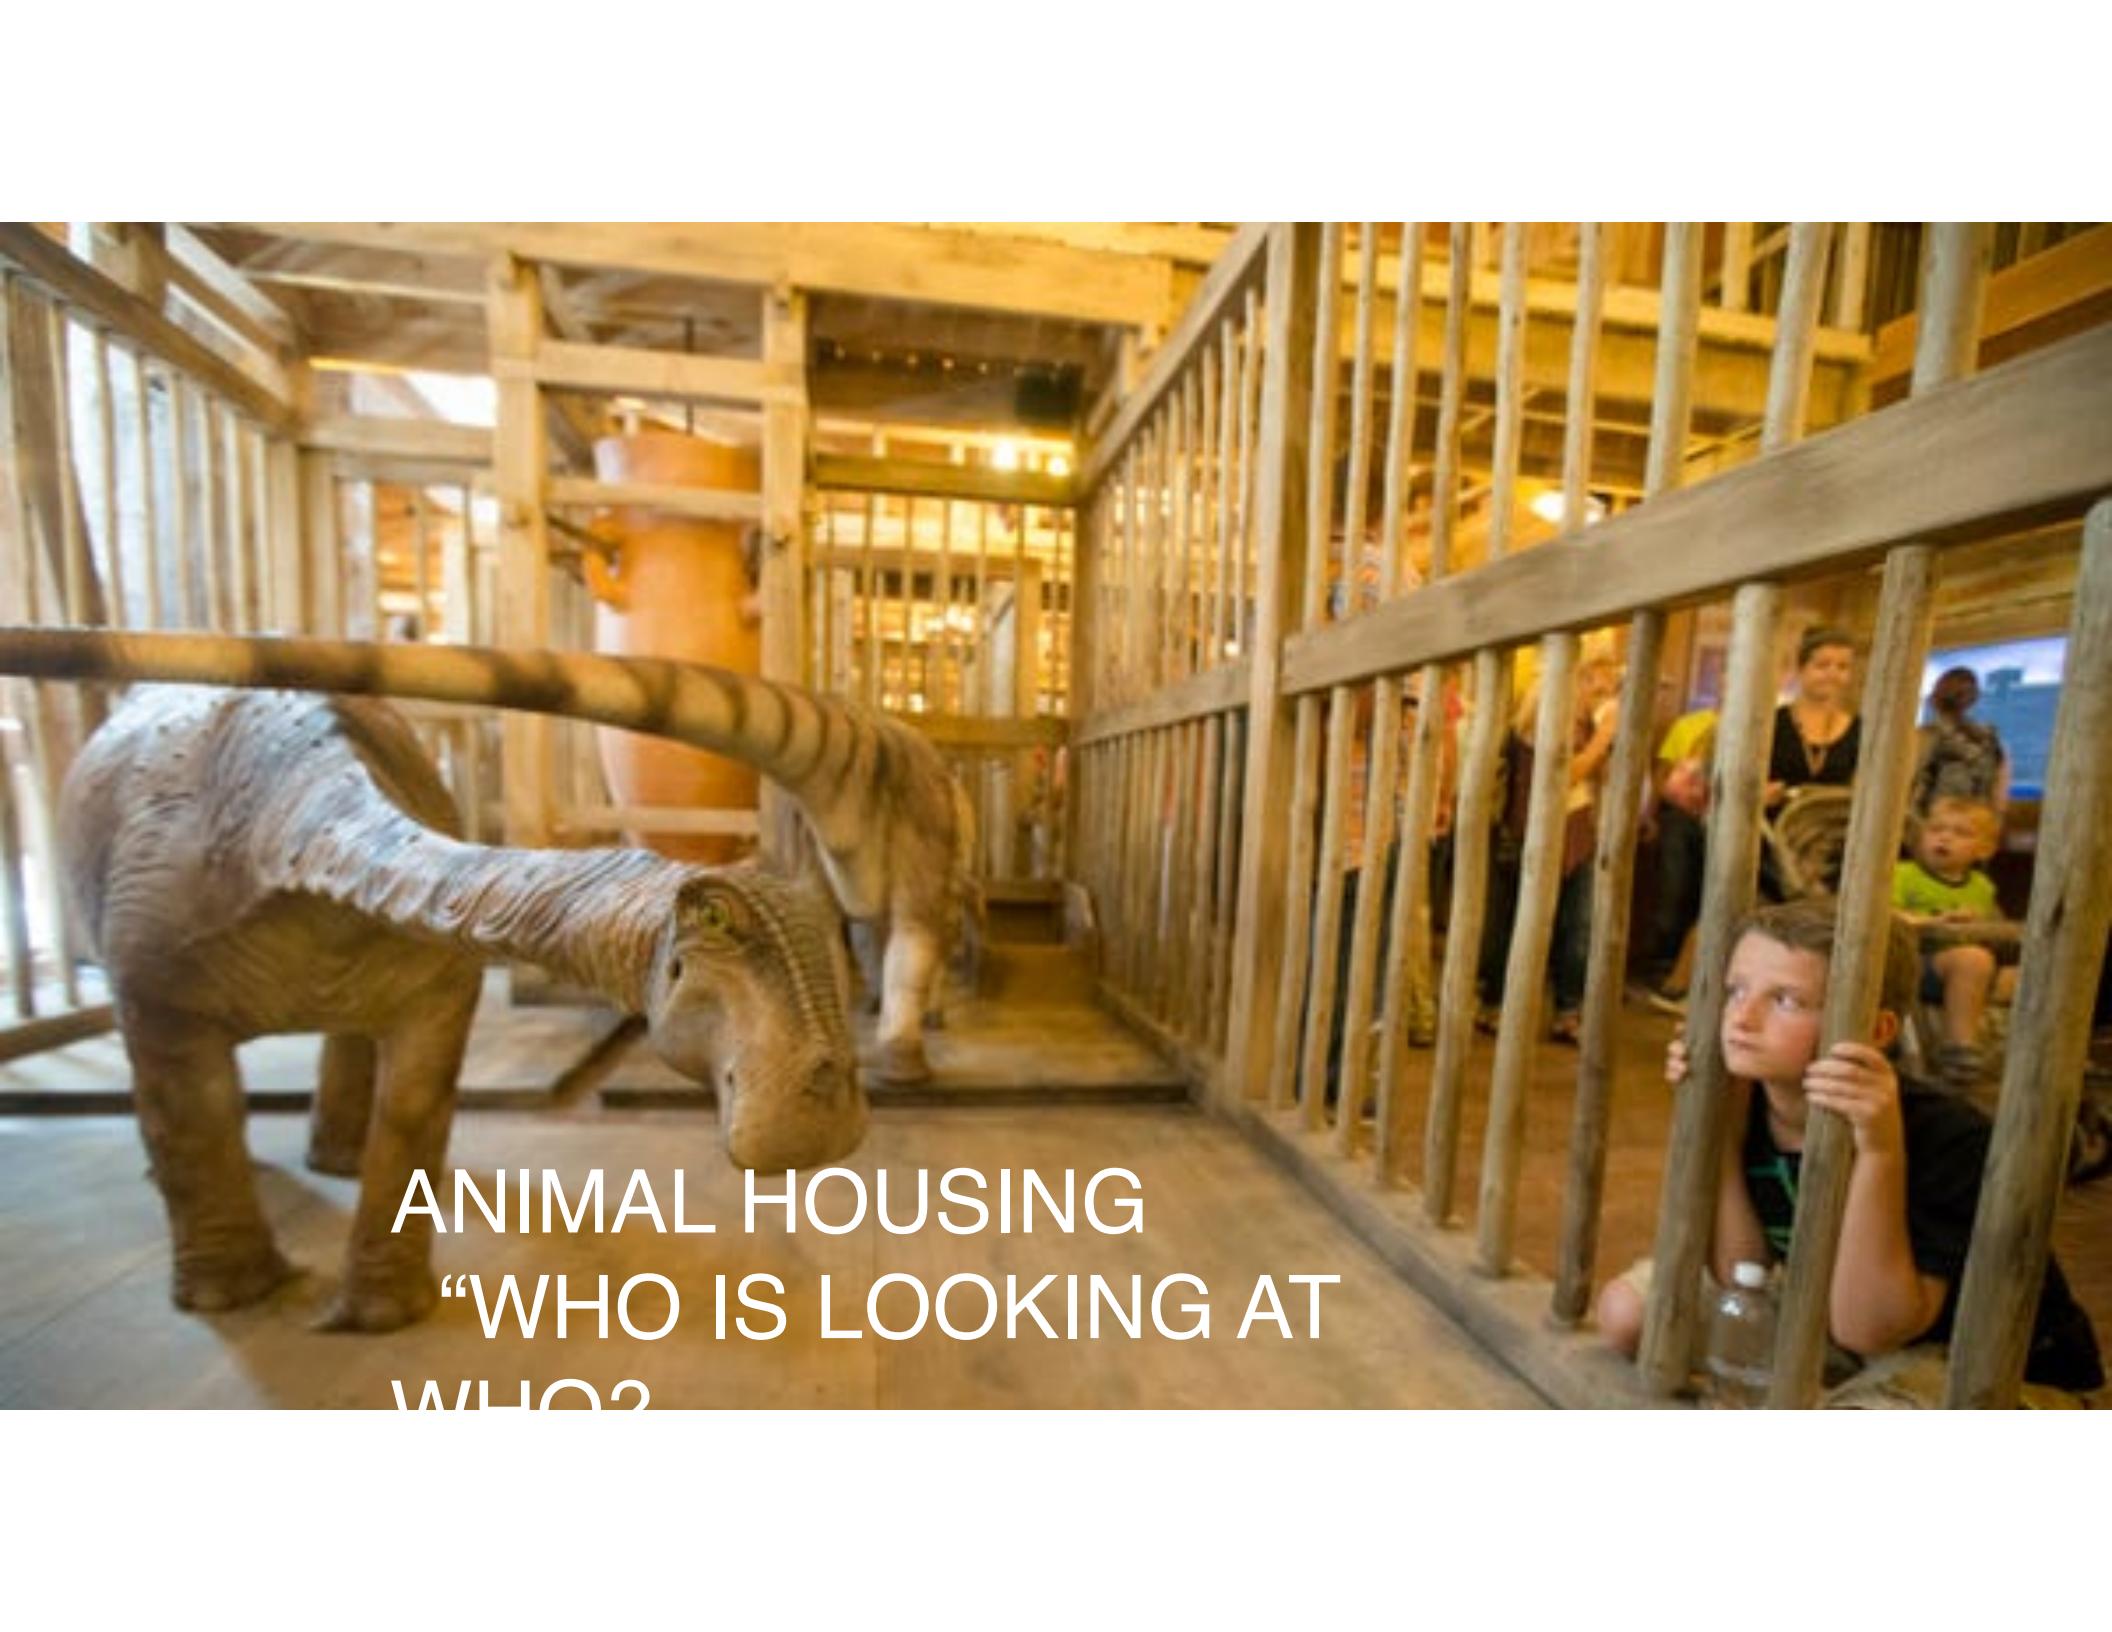

DAY 3

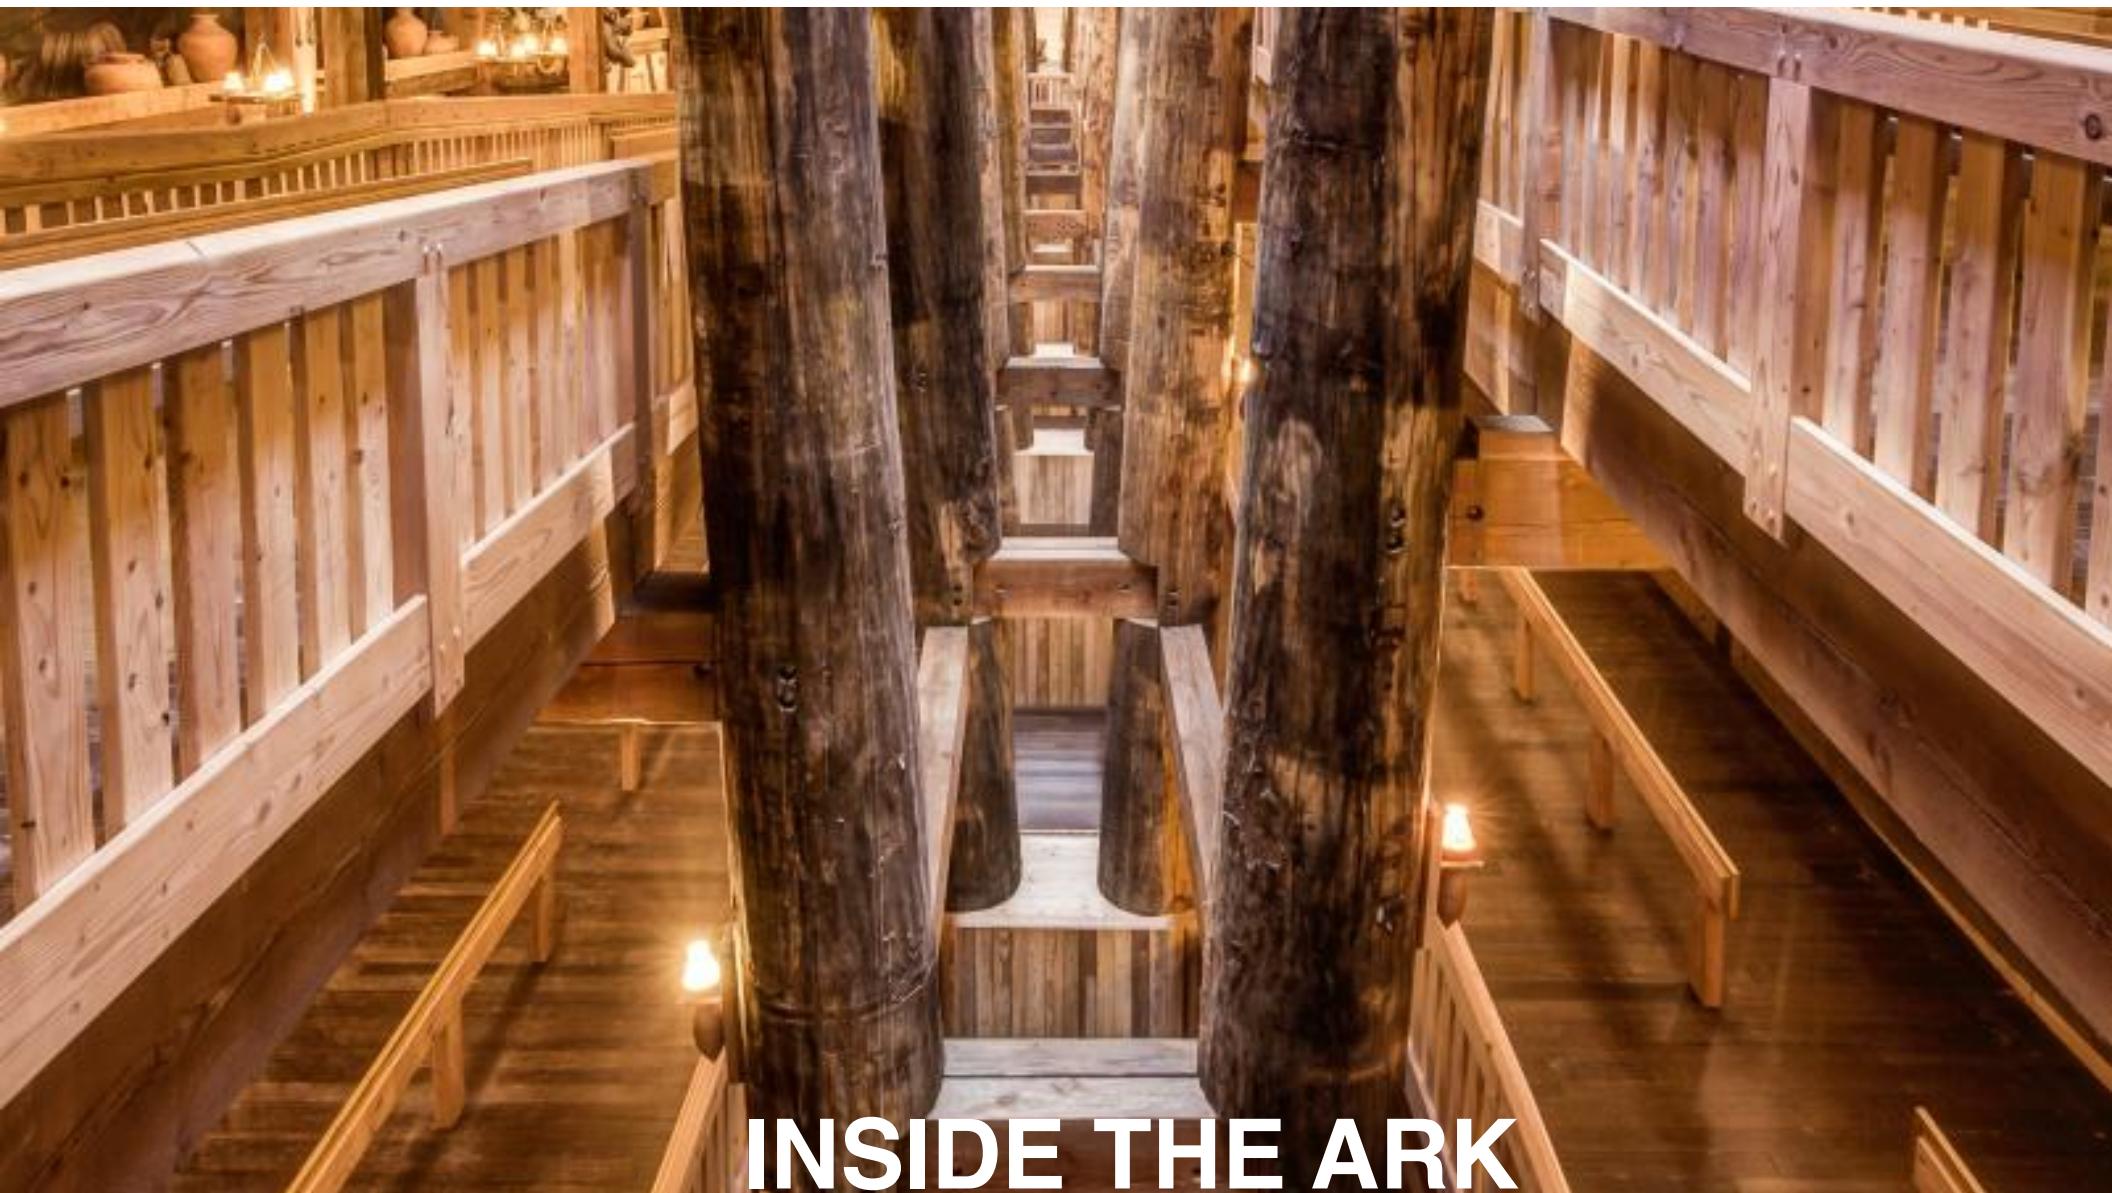

VISITING THE
LIFE-SIZE ARK!

A large elephant is the central focus, standing in a wooden enclosure. The elephant is facing towards the right of the frame. In the background, there are wooden structures and a glass wall. In the foreground, a young boy is leaning against a wooden railing, looking at the elephant. Other spectators are visible in the background, some inside the enclosure and some outside. The lighting is warm and natural.
